For all U.S. federal income tax purposes, all parties (including, without limitation, the Debtors, the Wind Down Entities, the Plan Administrator, and all Holders of Allowed Claims) shall treat the transfer of the Plan Assets to the Wind Down Entities in accordance with the terms of the Plan; such transfer is treated as a deemed transfer to the Holders of Allowed Claims, followed by a deemed transfer by such Holders to the Wind Down Entities. valuation of Plan Assets as soon as it becomes relevant for tax reporting purposes. The Wind Down Board shall manage the Consolidated Wind Down Trust and have the responsibility to review and advise the Plan Administrator with respect to the liquidation and Distribution of the Plan Assets. In advising the Plan Administrator, the Wind Down Board, including the Appointed Director, shall maintain the same fiduciary responsibilities as the Plan Administrator.

In the event of a vacancy on the Wind Down Board, a majority of the Wind Down Board may appoint a replacement subject to the constitutive documents for the Consolidated Wind Down Trust as in effect from time to time; *provided* that any replacement for the Appointed Director shall first be designated by the Advisory Committee from among its members.

The Plan Administration Agreement shall provide for the exculpation and indemnification of the Plan Administrator, the Wind Down Board and their professionals, representatives and related persons with respect to all Causes of Action arising out of or relating to any act taken, or omission made, in connection with the affairs of the Wind Down Entities, except to the extent an act or omission is determined by a Final Order to have constituted gross negligence or willful misconduct.

5.13. Vesting of Assets Free and Clear and No Successor Liability

Except as otherwise expressly provided in the Plan or the Confirmation Order, as of the Effective Date, all Plan Assets irrevocably shall be transferred and assigned to and automatically vested in the Wind Down Entities, for the benefit of Holders of Claims, free and clear of all Liens, Claims, charges or other encumbrances or interests to the extent permitted by section 363 of the Bankruptcy Code. All property held for Distribution pursuant to the Plan shall be held in trust for the benefit of the Holders of Allowed Claims and Interests and to pay the expenses of the administration of the Wind Down Entities. Upon the vesting of the Plan Assets in the Wind Down Entities, no Debtor, Consolidated Debtor or any Person or Entity holding a Claim or Interest shall (a) have an interest in, or any right with respect to, any Plan Asset except as provided by the Plan or (b) take, without the written consent of the Plan Administrator or order of the Court, any action with respect to a Wind Down Entity or a Plan Asset if such action would not have been permitted to be taken by such Person or Entity with respect to a Debtor or its property under section 362 of the Bankruptcy Code.

Except as otherwise expressly provided in the Plan or the Confirmation Order, as of the Effective Date, each of the Wind Down Entities (i) shall not, and shall not be deemed to assume, agree to perform, pay or otherwise have any responsibilities for any liabilities or obligations of the Debtors or any other Person relating to or arising of any event or occurrence taking place on or before the Effective Date, (ii) is not, and shall not be, a successor to the Debtors by reason of any theory of law or equity or responsible for the knowledge or conduct of any Debtor prior to the Effective Date, and (iii) shall not have any successor or transferee liability of any kind or character.

Coverage for defense and indemnity under any assumed or continued D&O Policies shall remain available within the definition of "Insured" in any of the D&O Policies subject to the terms and conditions of such D&O Policies. Entry of the Confirmation Order will constitute the Bankruptcy Court's approval of the Debtors' foregoing assumption or continuation, as applicable, of each D&O Policy. Notwithstanding anything to the contrary contained in the Plan, and except as otherwise may be provided in an order of the Bankruptcy Court, Confirmation of the Plan shall not

The D&O Policies (i) are prefunded and will not require any additional premiums on or after the Effective Date, (ii) provide coverage for those insureds currently covered by such policies for the remaining term of such policies and (iii) in the case of the D&O Policies purchased on or after the Petition Date, provide runoff or tail coverage after the Effective Date to the fullest extent permitted by such policies.

5.15. Cancellation of Existing Interests

On the Effective Date, except as otherwise specifically provided for in the Plan or any agreement, instrument or other document incorporated into the Plan, the obligations of the Debtors under any Certificate, Interest (other than any Interest in FTX Bahamas PropCo.), share, note, purchase right, option, warrant, intercreditor agreement, guaranty, indemnity or other instrument or document directly or indirectly evidencing or creating any indebtedness or obligation of or ownership interest in the Debtors or giving rise to any Claim or Interest, shall be cancelled solely as to the Debtors, and the Debtors shall not have any continuing obligations thereunder and shall be released therefrom.

5.16. Section 1146 Exemption from Certain Transfer Taxes and Recording Fees

Pursuant to, and to the fullest extent permitted by, section 1146(a) of the Bankruptcy Code, any transfers from the Debtors to the Wind Down Entities or to any other Person pursuant to, in contemplation of, or in connection with the Plan (including any transfer pursuant to: (a) the Distribution, transfer or exchange of any debt, equity security or other interest in the Debtors; or (b) the making, delivery or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan, including any deeds, bills of sale, assignments or other instrument of transfer executed in connection with any transaction arising out of, contemplated by or in any way related to the Plan) shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, real estate transfer tax, sales and use tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee or other similar tax or governmental assessment, and the appropriate state or local government officials or agents shall, and shall be directed to, forgo the collection of any such tax, recordation fee or government assessment and to accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, recordation fee or government assessment. The Bankruptcy Court shall retain specific jurisdiction with respect to these matters.

5.17. Preservation of Causes of Action

Except as otherwise provided in Article 10 or the other provisions of the Plan, each Cause of Action that is a Plan Asset shall be preserved and, along with the exclusive right to enforce such Cause of Action, shall vest exclusively in the Wind Down Entities as of the Effective Date. For avoidance of doubt, any and all DM-Controlled Recovery Actions shall vest solely in FTX DM and shall not vest in the Wind Down Entities. Any such Cause of Action against any Customer of the FTX.com Exchange or any of such Customer's successors or

assigns shall constitute a Dotcom Customer Priority Asset, and any such Cause of Action against any customer of the FTX.US Exchange shall constitute a U.S. Customer Priority Asset. Unless a Cause of Action is expressly waived, relinquished, released or compromised in the Plan or an order of the Bankruptcy Court, the Plan Administrator expressly reserves such Cause of Action for later adjudication and, accordingly, no doctrine of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable or otherwise), laches or other preclusion doctrine shall apply to such Cause of Action as a consequence of Confirmation, the Plan, the vesting of such Cause of Action in the Wind Down Entities, any order of the Bankruptcy Court or these Chapter 11 Cases. No Person may rely on the absence of a specific reference in the Plan or the Disclosure Statement to any Cause of Action against them or in which they asserted any interest as an indication that the Debtors or the Plan Administrator, as applicable, will not pursue such Cause of Action.

5.18. Effectuating Documents and Further Transactions

The Debtors or the Plan Administrator, as applicable, may take all actions to execute, deliver, file or record such contracts, instruments, releases and other agreements or documents, and take such actions as may be necessary or appropriate to effectuate and implement the provisions of the Plan. The secretary, any assistant secretary or any other appropriate officer of each Debtor shall be authorized to certify or attest to any of the foregoing actions.

From and after the Confirmation Date but prior to, on or after the Effective Date (as appropriate), all matters provided for pursuant to the Plan that would otherwise require approval of the shareholders, directors or members of the Debtors shall be deemed to have been so approved and shall be in effect prior to, on or after the Effective Date (as appropriate), pursuant to applicable law, and without any requirement of further action by the shareholders, directors, managers or partners of the Debtors, or the need for any approvals, authorizations, actions or consents.

5.19. Wind Down of Debtors, Wind Down Entities, Excluded Entities and Non-Debtor Subsidiaries

The Debtors and the Plan Administrator, as applicable, shall be vested with all powers and authority to (a) make equity contributions to Debtor and non-Debtor Affiliates with Plan Assets and (b) convert into equity any prepetition or postpetition Intercompany Claims held by any Debtor that is not cancelled, released or otherwise settled in full pursuant to the Plan, in each case, to effectuate or facilitate the wind down and dissolution of any Debtors, Wind Down Entities, Excluded Entities and non-Debtor subsidiaries either prior to, on or after the Effective Date.

The Debtors and the Plan Administrator shall be vested with all powers and authority to wind down and dissolve any Debtors, Wind Down Entities, Excluded Entities and non-Debtor subsidiaries on or after the Effective Date free and clear of all Liens, Claims, charges or other encumbrances or interests to the extent permitted by section 1141 of the Bankruptcy Code and without the need for any approvals, authorizations, actions or consents of the Court or otherwise, including any (i) any further corporate approval, including by the stockholders, board

of directors or other governing body of the applicable entity, to the extent such further approval may be required by applicable law, and to the extent such approval may be required by applicable law, such approval shall be deemed previously provided, or (ii) further actions to be taken by or on behalf of such entities or payments to be made in connection therewith, subject to the filing of a certificate of dissolution with the appropriate governmental authorities.

5.20. Creditor Advisory Committee

On the Effective Date, the Debtors shall establish an advisory committee (the “Advisory Committee”) consisting of the Appointed Director on the Wind Down Board and two other persons reasonably acceptable to the Debtors and the Bahamas JOLs, to be jointly designated by the Ad Hoc Committee and the Official Committee. The members of the Advisory Committee shall not be a current or former Holder of a Claim or Interest (unless otherwise agreed to by the Debtors, the Official Committee, and the Ad Hoc Committee) and shall be subject to the same confidentiality, independence and trading restrictions as members of the Wind Down Board. The members of the Advisory Committee shall have fiduciary duties to all creditors.

The Wind Down Board and the Plan Administrator shall consult with the Advisory Committee in good faith on all of its material decisions concerning the Wind Down Entities, the Plan Administrator and the Advisory Committee from time to time, including without limitation with respect to (i) reserves and the timing and amount of distributions, (ii) resolution or settlement of disputed unsecured claims, (iii) commencement, prosecution and settlement of litigation, (iv) disallowance of claims, (v) monetization of digital assets and venture investments, (vi) implementation of the Supplemental Remission Fund, (vii) modification of the Wind Down Budget and (viii) modification of the terms of employment or scope of authority of the Plan Administrator and any other officers of the Wind Down Entities, in each case of clauses (i) through (viii) subject to such parameters as may be agreed upon in good faith by the Wind Down Board, the Plan Administrator and the Advisory Committee from time to time. The members of the Advisory Committee other than the Appointed Director on the Wind-Down Board shall have the right to attend formal meetings of the Wind Down Board as non-voting observers (and receive all related board materials and reports), subject to such limitations as the Wind Down Board may set from time to time to address any actual or potential conflict of interest. The Appointed Director shall have the opportunity to consult with the other members of the Advisory Committee prior to voting on any actions in its capacity as a member of the Wind Down Board. Similarly, the Wind Down Board of Directors shall have the right to consult in executive session without the Advisory Committee members.

The members of the Advisory Committee shall receive reasonable and customary compensation, indemnification and exculpation. The Advisory Committee may retain and employ Delaware counsel, one additional law firm and one financial advisory firm to assist the Advisory Committee in the performance of its duties, with the reasonable and documented fees and expenses of these professionals to be borne or reimbursed by the Wind Down Entities. These professional firms shall be chosen by majority vote of the Advisory Committee and be acceptable to the Wind Down Board (such consent not to be unreasonably withheld).

If the Wind Down Board approves an action (i) that the Appointed Director has voted against in his or her capacity as a member of the Wind Down Board and (ii) to which a majority of the Advisory Committee (including the Appointed Director) also objects, the Appointed Director may send written notice explaining the basis for the Advisory Committee's objection to the Plan Administrator and the other members of the Wind Down Board within one business day of the vote of the Wind Down Board approving the proposed action (a "Notice of Objection"). Upon the Appointed Director's vote against a proposed action by the Wind Down Board, the Wind Down Entities shall refrain from taking the contested action unless a Notice of Objection is not timely provided; if a Notice of Objection is provided, the Wind Down Board shall not take the proposed action without either order of the Court or the expiration of a seven day waiting period. During this seven day waiting period, the Advisory Committee may file an objection to the proposed action with the Court, describing the basis therefor in reasonable detail. If no objection is filed with the Court within such seven day period, the Notice of Objection shall have no further effect, the Wind Down Entities may proceed with the proposed action and the Advisory Committee shall be deemed to have waived any right to challenge the proposed action.

If the Advisory Committee files a timely objection with the Court in accordance with the immediately preceding two paragraphs, the Court shall resolve the objection as a contested matter by applying the standard of review that would be applicable to an action proposed by a debtor over the objection of a general unsecured creditor under section 363(b) of the Bankruptcy Code or Rule 9019, as applicable.

The Advisory Committee shall have standing to enforce the Plan to the same extent as an individual creditor, as well as standing to enforce the Advisory Committee's own rights under the Plan.

The Advisory Committee shall continue until such time as Allowed General Unsecured Claims have been paid 100% of their Allowed amounts plus interest at the Consensus Rate as provided in the Plan, and then shall be disbanded. In the event of a vacancy on the Advisory Committee, the other members of the Advisory Committee may appoint a replacement member reasonably acceptable to the Wind Down Board by written notice to the Court.

5.21. Supplemental Remission Fund

The Debtors, in consultation with the Supporting Parties, may establish a segregated fund (the "Supplemental Remission Fund") to receive any funds otherwise payable to the Holders of Allowed Senior Subordinated Governmental Claims (the "Remission Fund Sponsors"). The Plan Administrator may manage funds in the Supplemental Remission Fund on the same basis as any other funds of the Wind Down Entities. If established, the Supplemental Remission Fund shall constitute property of the Wind Down Entities and part of their Cash; *provided* that the Plan Administrator shall (a) keep such Supplemental Remission Fund segregated, and (b) apply funds in the Supplemental Remission Fund only (i) to pay costs and expenses incurred in connection with the activities of the Supplemental Remission Fund, (ii) to make distributions of any available funds to (x) Holders of Allowed Dotcom Customer Entitlement Claims, Allowed U.S. Customer Entitlement Claims and Allowed Digital Asset Loan Claims and (y) FTX DM for the benefit of Holders of Eligible DM Customer Entitlement Claims, in each case, on a Pro Rata basis or as otherwise agreed between the Plan Administrator

and the Remission Fund Sponsors, in consultation with the Advisory Committee, or (iii) as ordered by the Bankruptcy Court. The Plan Administrator shall file on the docket of these Chapter 11 Cases notices describing any agreement with any Remission Fund Sponsor to contribute to the Supplemental Remission Fund, as well as any agreed guidelines for distributions. The Plan Administrator shall file periodic reports on the docket of these Chapter 11 Cases with respect to the balance in the Supplemental Remission Fund and its distribution activities.

5.22. Preferred Shareholder Fund

In connection with the Debtors' efforts to recover Forfeiture Proceeds, the Debtors have entered into the Preferred Shareholder Settlement Agreement in anticipation that the DOJ or other applicable governmental authorities may request that a portion of the Forfeiture Proceeds be allocated to Holders of Preferred Equity Interests who are not otherwise expected to receive a distribution under the Plan. As contemplated by the Preferred Shareholder Settlement Agreement, the Debtors or the Consolidated Wind Down Trust may establish a segregated fund (the "Preferred Shareholder Fund") to receive and hold the applicable portion of such Forfeiture Proceeds for the benefit of Holders of Preferred Equity Interests, and may manage such Preferred Shareholder Fund and make distributions therefrom in accordance with the Preferred Shareholder Settlement Agreement and any applicable agreement with the DOJ or such other applicable governmental authorities. The Preferred Shareholder Fund shall not constitute property of the Estates or property of the Consolidated Wind Down Trust except to the extent of their respective interests therein.

6. TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

6.1. Rejection of Executory Contracts and Unexpired Leases

Except as otherwise provided herein, and subject to the occurrence of the Effective Date, all Executory Contracts and Unexpired Leases will be rejected by the Plan on the Effective Date pursuant to sections 365 and 1123 of the Bankruptcy Code, other than Executory Contracts or Unexpired Leases (a) previously assumed or rejected pursuant to an order of the Bankruptcy Court, (b) that are the subject of a pending motion to assume or (c) that are specifically described in the Plan to be assumed in connection with the Plan. Entry of the Confirmation Order by the Bankruptcy Court, subject to and upon the occurrence of the Effective Date, shall constitute approval of the rejection of such Executory Contracts and Unexpired Leases pursuant to sections 365 and 1123 of the Bankruptcy Code. Unless otherwise indicated, rejection of the Executory Contracts and Unexpired Leases pursuant to the Plan shall be effective as of the Effective Date.

6.2. Claims Against the Debtors upon Rejection

No Executory Contract or Unexpired Lease rejected by the Debtors on or prior to the Effective Date shall create any obligation or liability of the Debtors that is not a Claim. Any Proof of Claim arising from or relating to the rejection of an Executory Contract or Unexpired Lease pursuant to the Plan must be filed with the Notice and Claims Agent before the Rejected Contract Claims Bar Date. **Any Claim arising from or relating to the rejection of an Executory Contract or Unexpired Lease that is not filed with the Notice and Claims Agent by the Rejected Contract Claims Bar Date will be automatically disallowed, forever barred from assertion, and shall not be enforceable against the Debtors, the Debtors' Estates, the Wind Down Entities, the Plan Administrator or any of their property.** Any Allowed Claim arising from the rejection of an Executory Contract or Unexpired Lease shall be classified as a General Unsecured Claim and shall be treated in accordance with Section 4.3.9.

6.3. Modification, Amendments, Supplements, Restatements or Other Agreements

Unless otherwise provided in the Plan, each Executory Contract or Unexpired Lease that is rejected shall include all modifications, amendments, supplements, restatements or other agreements that in any manner affect such Executory Contract or Unexpired Lease, and all Executory Contracts and Unexpired Leases related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal and any other interests, unless any of the foregoing agreements have been previously rejected or repudiated or are rejected or repudiated under the Plan.

Modifications, amendments, supplements and restatements to Prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases shall not be deemed to alter the Prepetition nature of such Executory Contracts or Unexpired Leases or the validity, priority or amount of any Claims that may arise in connection therewith.

6.4. Reservation of Rights

Nothing contained in the Plan shall constitute an admission by the Debtors that any contract or lease is in fact an Executory Contract or Unexpired Lease, or that any Debtor has any liability thereunder.

7. PROVISIONS GOVERNING DISTRIBUTIONS

7.1. Accrual of Postpetition Interest on Certain Claims

Unless otherwise provided in the Plan, to the extent that postpetition interest accrues on an Allowed Separate Subsidiary Claim, an Allowed Dotcom Customer Entitlement Claim, an Allowed U.S. Customer Entitlement Claim, an Allowed General Unsecured Claim or an Allowed Digital Asset Loan Claim pursuant to Article 4, such postpetition interest shall accrue on any unpaid balance of such Allowed Claim from the Petition Date through the applicable Distribution Date on which such Allowed Claim is paid; *provided* that, to the extent that a Disputed Claim becomes an Allowed Claim on which postpetition interest accrues pursuant to Article 4, postpetition interest shall accrue on such Allowed Claim as if such Allowed Claim had been an Allowed Claim that received a Distribution on each date Distributions were previously made to Holders of the Allowed Claims classified in the applicable Class. No Holder of an Allowed Separate Subsidiary Claim, Allowed Dotcom Customer Entitlement Claim, Allowed U.S. Customer Entitlement Claim, Allowed General Unsecured Claim or Allowed Digital Asset Loan Claim has an entitlement to postpetition interest except to the extent of available funds in accordance with the waterfall priority set forth in Section 4.2.

7.2. Distributions Timing

7.2.1 Determination for Distributions to FTX DM. Before the Initial Distribution Date or any Distribution Date thereafter, the Plan Administrator shall determine, in accordance with the FTX DM Global Settlement Agreement, whether it needs to advance Cash to FTX DM to pay distributions to holders of DM Customer Entitlement Claims in accordance with the FTX DM Global Settlement Agreement.

7.2.2 Initial Distribution Date. On the Initial Distribution Date, the Distribution Agent shall commence Distributions under the Plan on account of each Claim that is Allowed on or prior to the Effective Date.

7.2.3 Subsequent Distributions. The Plan Administrator shall identify, in his or her discretion and in accordance with the Plan Administration Agreement, dates to be Subsequent Distribution Dates for the purpose of making additional Distributions under the Plan. Each Subsequent Distribution Date shall be a Business Day. On each Subsequent Distribution Date, the Plan Administrator shall direct the Distribution Agent to make Distributions with Cash on hand net of reserves, as determined by the Plan Administrator and the Wind Down Board.

7.2.4 Distributions to Holders of Claims Allowed After the Effective Date. The Distribution Agent shall make Distributions to Holders of Claims Allowed after the Effective Date in accordance with the applicable provision of Article 4 on the first Subsequent Distribution Date after such Claim is Allowed. Unless the Plan Administrator otherwise agrees, no partial Distribution shall be made with respect to such Claim until all disputes in connection with such Claim have been resolved by Final Order of the Bankruptcy Court.

7.3. Distributions to Holders of Customer Entitlement Claims

7.3.1 Distributions to FTX DM. In accordance with Section 7.2.1, before the Initial Distribution Date or any Distribution Date thereafter, the Plan Administrator or the Distribution Agent shall make any distribution of Cash to FTX DM for the benefit of holders of DM Customer Entitlement Claims that have made the Bahamas Opt-In Election in accordance with the FTX DM Global Settlement Agreement.

7.3.2 Distributions of Dotcom Customer Entitlement Claims, U.S. Customer Entitlement Claims and Allocations of Wind Down Cash Proceeds. On any Distribution Date, the Plan Administrator may direct the Distribution Agent to Distribute to the Holders of Allowed Dotcom Customer Entitlement Claims and Allowed U.S. Customer Entitlement Claims the Wind Down Cash Proceeds that the Plan Administrator in accordance with the Plan and the Plan Administration Agreement, determines are Wind Down Cash Proceeds that belong to the Dotcom Customer Priority Assets or U.S. Customer Priority Assets, respectively, in each case, in accordance with Sections 4.3.6 and 4.3.7.

7.3.3 Final Distribution at Closing of the Chapter 11 Cases. On or prior to the closing of the Chapter 11 Cases, the Plan Administrator shall Distribute (such Distribution, the "Final Distribution") all remaining Wind Down Cash Proceeds in accordance with the waterfall priority set forth in Section 4.2 and the classification and treatment set forth in Section 4.3.

7.4. Record Date and Delivery of Distributions

7.4.1 Record Date for Distributions

In advance of each Distribution Date, the Plan Administrator shall establish a Distribution Record Date for purposes of determining the Holders of Allowed Claims entitled to receive a Distribution on such Distribution Date, which Distribution Record Date shall be no less than 45 and no more than 75 days prior to the corresponding Distribution Date. On each Distribution Record Date, the Claims Register shall be closed and the Distribution Agent shall be authorized and entitled to recognize only those Holders of Claims listed on the Claims Register as of the close of business on such Distribution Record Date. If a Claim is transferred 45 or fewer days before the applicable Distribution Record Date, the Distribution Agent shall make distributions to the transferee only to the extent practical, and, in any event, only if the relevant transfer form contains an unconditional and explicit certification and waiver of any objection to the transfer by the transferor.

7.4.2 Delivery of Distributions in General

Except as otherwise provided herein, the Distribution Agent, at the direction of the Plan Administrator, shall make all Distributions required under the Plan to Holders of Allowed Claims. Except as otherwise provided herein, and notwithstanding any authority to the contrary, Distributions to Holders of Allowed Claims shall be made to Holders of record as of the applicable Distribution Record Date by the Distribution Agent, as appropriate: (a) to the signatory set forth on any of the Proofs of Claim filed by such Holder or other representative identified therein; (b) at the address set forth in any written notice of change of address delivered

to the Notice and Claims Agent; (c) at the address set forth in any notice of transfer that has become effective pursuant to Bankruptcy Rule 3001(e); or (d) at the address reflected in the Schedules if no Proof of Claim has been filed and the Notice and Claims Agent has not received a written notice of a change of address. The Plan Administrator may, but shall not be required to, withhold any Distribution to a Holder of an Allowed Claim upon receipt of written notice to the Plan Administrator of pending litigation concerning an executed agreement by such Holder to sell such Allowed Claim in order to seek specific instructions of the Bankruptcy Court prior to making such Distribution. The Debtors, the Plan Administrator, the Distribution Agent, the Wind Down Entities and the Notice and Claims Agent shall not incur any liability whatsoever on account of the withholding or delivery of any Distributions under the Plan.

In the event that any payment or distribution under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or distribution may be completed on the next succeeding Business Day but shall be deemed to have been completed as of the required date. Except as specifically provided in the Plan, Holders of Allowed Claims shall not be entitled to interest, dividends or accruals on the Distributions provided for in the Plan, regardless of whether such Distributions are delivered on or at any time after the Effective Date.

7.4.3 Foreign Currency Exchange Rate

Except as otherwise provided herein, an order of the Bankruptcy Court or as agreed to by the Holder and the Debtors or the Plan Administrator, as applicable, any Claim asserted in a currency other than U.S. Dollars shall be automatically deemed converted to the equivalent U.S. Dollars at the Exchange Rate.

7.5. Distribution Agent

The Plan Administrator shall have the authority to enter into an agreement with a Distribution Agent to facilitate the Distributions required under the Plan. To the extent the Plan Administrator determines to utilize a Distribution Agent to facilitate the Distributions, such Distribution Agent would first be required to: (a) affirm its obligation to facilitate the prompt distribution of any documents; (b) affirm its obligation to facilitate the prompt distribution of any recoveries or Distributions required under the Plan; and (c) waive any right or ability to set off, deduct from or assert any Lien or other encumbrance against the Distributions required under the Plan to be distributed by such Distribution Agent.

The Debtors or the Plan Administrator, as applicable, shall pay to the Distribution Agent all of its reasonable and documented fees and expenses without the need for any approvals, authorizations, actions or consents of the Bankruptcy Court or otherwise. The Distribution Agent shall submit detailed invoices to the Plan Administrator for all fees and expenses for which the Distribution Agent seeks reimbursement, and the Plan Administrator shall pay those amounts that it, in its sole discretion, deems reasonable, and shall object to those fees and expenses, if any, that the Plan Administrator deems to be unreasonable. In the event that the Plan Administrator objects to all or any portion of the amounts requested to be reimbursed in the Distribution Agent's invoice, the Plan Administrator and the Distribution Agent shall endeavor, in good faith, to reach mutual agreement on the amount of the appropriate

payment of such disputed fees and/or expenses. In the event that the Plan Administrator and the Distribution Agent are unable to resolve any differences regarding disputed fees or expenses, either party shall be authorized to move to have such dispute heard by the Bankruptcy Court.

7.6. Fractional and *De Minimis* Distributions

Notwithstanding anything herein to the contrary, the Plan Administrator and the Distribution Agent shall not be required to make Distributions in Cash or payments of less than \$10. Any Holder of an Allowed Claim on account of which the amount of Cash or other property to be distributed is less than \$10 shall be forever barred from asserting such Claim against the Debtors, the Estates, the Plan Administrator, the Wind Down Entities or any of their property.

7.7. Undeliverable Distributions

In the event that any Distribution to any Holder is returned as undeliverable, or no address for such Holder is found in the Debtors' or Notice and Claims Agent's records, no further Distribution to such Holder shall be made unless and until the Plan Administrator or the Distribution Agent is notified in writing of the then-current address of such Holder, at which time such Distribution shall be made to such Holder not less than 30 days thereafter. Undeliverable Distributions shall remain in the possession of the Plan Administrator or the Distribution Agent until such time as such Distribution becomes deliverable or such Distribution reverts to the relevant Wind Down Entity or is cancelled pursuant to Section 7.8 and shall not be supplemented with any interest, dividends or other accruals of any kind. Nothing contained herein shall require the Plan Administrator to attempt to locate any Holder of an Allowed Claim whose Distribution is declared an undeliverable or Unclaimed Distribution.

7.8. Reversion

Any Distribution under the Plan, including Distributions made by the Plan Administrator or the Distribution Agent in accordance with Section 7.5, that is an Unclaimed Distribution for a period of six months thereafter, shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code, and such Unclaimed Distribution shall revert in the relevant Wind Down Entity as Plan Assets with respect to Unclaimed Distributions on account of Claims, *provided, however*, that the Plan Administrator and the Distribution Agent shall use commercially reasonable efforts to notify the Holder of such Unclaimed Distribution within three months of the applicable Distribution Date. The Plan Administrator and the Distribution Agent are deemed to have satisfied their use of commercially reasonable efforts by mailing a notice to the last known address of record known to the Claims Agent and emailing such notice to the last known email address of record known to the Claims Agent. Any Distribution that is not made pursuant to Section 7.6 shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code and shall revert in the relevant Wind Down Entity as Plan Assets pursuant to this Section 7.8. Upon reverting pursuant to this Section 7.8, the Claim of any Holder or its successors and assigns with respect to such property shall be cancelled and forever barred, notwithstanding any applicable federal or state escheat, abandoned or unclaimed property laws to the contrary. If any Unclaimed Distribution reverts in any Wind Down Entity as Plan Assets pursuant to this Section 7.8 after the Final Distribution is made, the Plan Administrator shall not
